

"Find Healing Through Your CONFESSION"

Your words are a critical component in praying for the sick. You yourself will be sick less often, and get well quicker if you speak faith when battling illness.

James 5:14-15 tells us what to do when sick:

- A. _____ for the _____. V.14
* when you feel bad and your faith is low, the _____
can carry you to victory. **Mark 2:1-12**
- B. Let them _____ over you. V.14
- C. Let them _____ you with oil. V.14
- D. And do it with the _____ of the Lord Jesus Christ. V.14
- E. The prayer offered in faith (theirs and yours) will _____
you to health. V.15
- F. Because _____ will raise you up. V.15
- G. If there are _____ to be confessed, they will be _____.

Pastor's Counsel from Mark 11

- 1. Praying for the sick and speaking faith for results is a _____
_____ that is developed with experience and time.
- 2. Let your _____ and your _____ help you,
but use your faith.
- 3. Your faith is _____. It is _____ by what you say. **11:22**
_____ times Jesus chastised for lack of faith.
_____ times Jesus told people "your faith has ..."
- 4. So speak _____, not about your mountain. **11:23**
- 5. Then _____, _____, and _____ like its done! **11:24**

"But I'm still hurting and sick after they prayed for me?"

* If that is what you agree with, then that _____
_____. **James 1:7-8**

- 6. Speak it and speak it _____ (with authority) ; _____ times each day.
"_____ don't always die the same day" **11:21**
- 7. REMEMBER: You also _____ your healing with your mouth!
- 8. _____ down, _____, and speak aloud healing Scriptures.
- 9. Pray for the sick, but _____ about results.
When things don't work out, don't let the devil _____ your faith.

Conclusion: Your spoken faith _____.

Mark 11:23
